3. 以下の会話ⅠとⅡで()内に入る最も適切なものを選択肢 a.～d.より選び会話を完成させなさい。

<会話Ⅰ>

Customer: Hi there, I'm looking for some medicine to help with a bad cough.

Pharmacist: Do you want something non-drowsy or are you okay with it making you a bit sleepy?

Customer: I would prefer non-drowsy. (1)

Pharmacist: Got it. This syrup is non-drowsy and works well for dry coughs.

Customer: Thanks. Do I need a prescription for it?

Pharmacist: No, you don't. (2) Just follow the dosage on the label.

Customer: I will do that. How often should I take it?

Pharmacist: Every 4–6 hours, but not more than four doses in 24 hours.

- a. A prescription is always necessary.
- b. Customers usually eat at the counter.
- c. I have to work during the day.
- d. It's over-the-counter.

<会話Ⅱ>

Fisherman: Good morning. I just brought in a fresh catch. I've got snapper, mackerel, and a couple of sea bass.

Shop Owner: Perfect. Tonight's customers will like the seafood options.

Fisherman: Great. I caught them earlier today. (3)

Shop Owner: That's great. I'll take the lot if the price is good.

Fisherman: How does \$6 a pound for the snapper sound? The rest, we can work out.

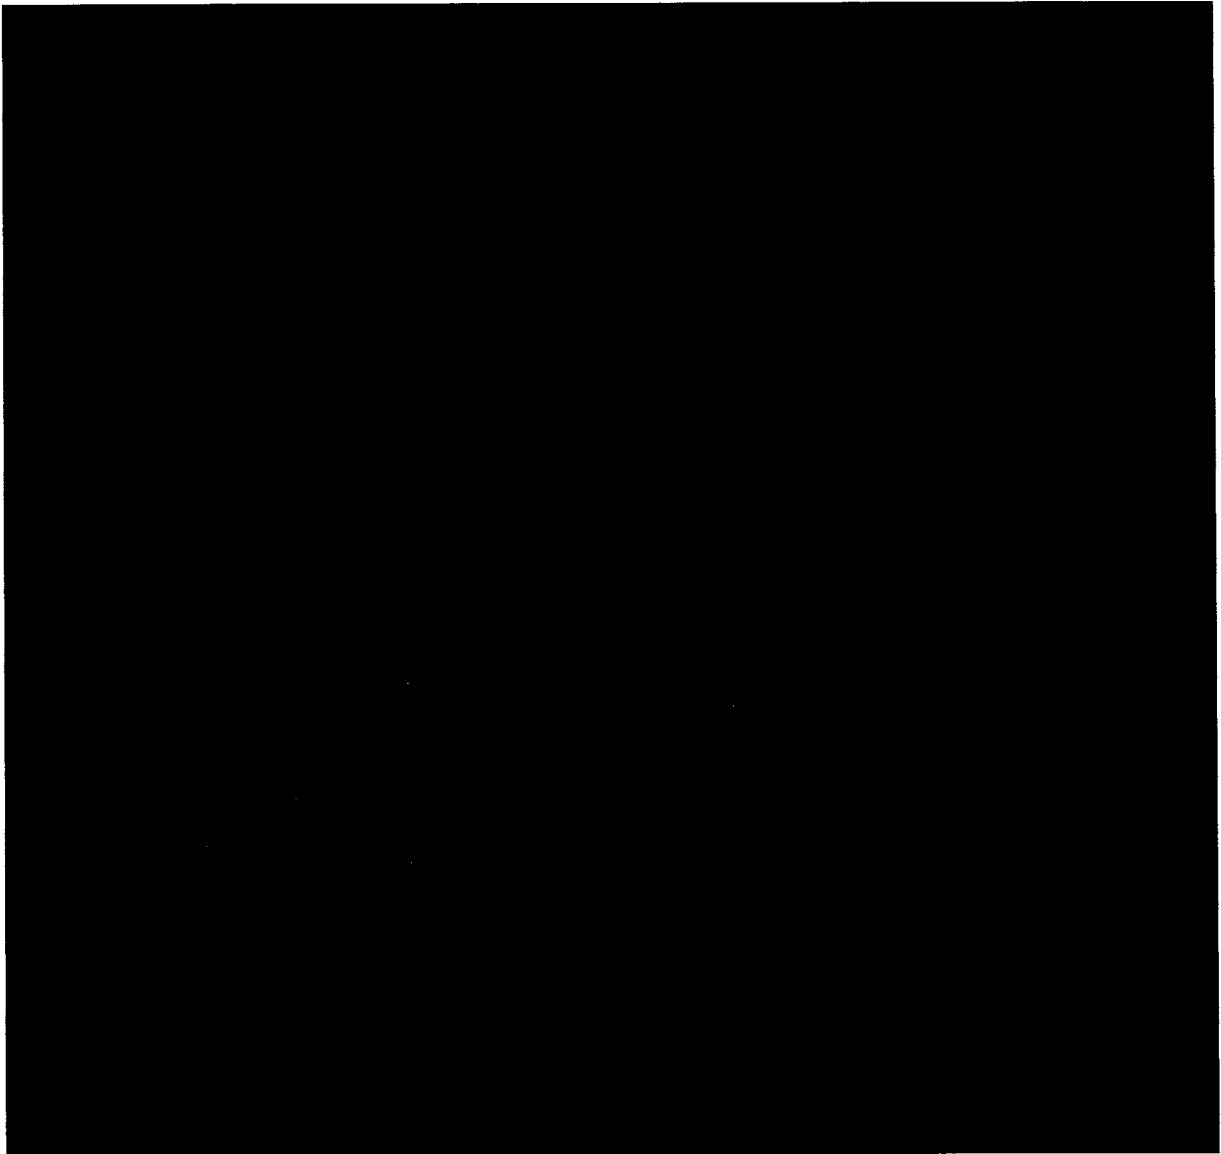

Shop Owner: Make it \$5 and I'll throw in a drink when you stop by next time.

Fisherman: It's a hard bargain, but you always buy from me. (4) Thank you.

Shop Owner: I thank YOU for the fresh fish.

- a. Five dollars for a drink isn't bad at all.
- b. How about fresh meat as well?
- c. That's a deal.
- d. They're still flipping in the boxes.

4. 次の英文を読み A ～ D の問題に答えなさい。

("People moving out of capital set to receive more aid" *The Japan Times*, March. 19, 2025. p.2)
